

Display member's Vaccination status on Timesheet

Modified on: Sat, 18 Sep, 2021 at 4:33 PM

Record the vaccination status of a member in the member profile to display Vaccinated icon on the booked cell of the timesheet for each member. The icon can only be viewed by administrator logins.

Please Note:

- There is no integration to update member profiles from membership system integration
- Members cannot add their vaccination certificate or update status through the web site
- Copy of the vaccination certificate cannot be stored in the Member Directory

To activate functionality requires a signed agreement received by MiClub, please enquire with your account manager for an agreement to be sent to club management

Quick Process

1. Login with Root or Member Administrator security role
2. Select Membership > Member Directory
3. Search and Select for Member
4. Tick field 'Vaccinated'
5. Update
6. Preview Timesheet with the member booking to confirm First Aid icon displays

Step-by-Step Process

1. Login with Root or Member Administrator security role
2. Select Membership > Member Directory

3. Search and Select for Member

4. Tick field 'Vaccinated'

5. Update
